**ADMINISTRATIVE ORDER REGARDING HEALTH AND SAFETY  
IN THE FULTON COUNTY COURTHOUSE COMPLEX**

Upon the expiration of this Court's Emergency Orders, the Court finds and determines that significant risks remain to the citizens of Fulton County from COVID-19, especially given the spread of virus variants. After consultation with Fulton County Public Health authorities, this Court finds that continued enforcement of health and safety protocols in the Courthouse Complex is required. As attendance at most court proceedings is compulsory, the courts must remain cognizant of the continuing risks of and concerns about COVID-19 in our community, and must act prudently to safeguard those we summon to the Courthouse.

Thus, pursuant to the inherent powers of this Court, it is hereby ORDERED that the public health measures put in place by this Court in its Guidelines for Expanding In-Person Proceedings which were adopted as an Order of this Court on June 12, 2020, shall remain in place during the term of this Order. Such requirements include the mandatory wearing of face coverings by all who enter Court facilities and the observance of proper social distancing by persons within Court facilities. These public health measures will remain in place until further order of this Court. This Court may supplement, amend, or otherwise change these health and safety requirements from time to time and as public health and other considerations should require.

This Order shall be posted on this Court's website, and shall be prominently displayed in all public areas of the Courthouse Complex. Compliance with this Order is mandatory.

SO ORDERED, THIS 29<sup>th</sup> DAY OF September, 2021.

---

Christopher S. Brasher, Chief Judge  
Superior Courts of Georgia  
Atlanta Judicial Circuit
