

A Message from Jury Services Regarding COVID-19

The Fulton County Courts have been working hard planning for a safe return to jury trials and we want you to know that juror safety is our priority when you report for your upcoming jury service. We recognize that jury service in these times may raise questions and concerns about health and safety; this message is intended to address those concerns and to provide you with contact information for any unanswered questions. As we transition through this public health crisis, we are taking the necessary precautions to protect our jurors. Please visit www.fultoncourt.org/Jurors to view a special message from our Chief Judge.

*****Masks are required to board the juror shuttle buses and inside all facilities. Please consider bringing a non-perishable lunch. No glass (food containers) or metal (utensils) is permitted in the courthouse.***

Here are some of the specifics of what we're doing to protect our jurors and staff members:

- (1) For the safety of everyone, we are respectfully encouraging all members of the public to follow health and safety protocols regarding COVID-19 as outlined by state and local health agencies (fultoncountyboh.org) and the CDC (cdc.gov).
- (2) Jury Services staff are adhering to those same health and safety protocols.
- (3) Social distancing will be enforced in all facilities and areas of the courthouse.
- (4) Vastly reduced numbers of jurors will be reporting to ensure safe social distancing at all times. Juror activity will occur in large areas on ground level to avoid elevator travel.
- (5) The County's maintenance crew is paying special attention to cleaning and wiping down all touchpoints around the courthouse and other hard surfaces.
- (6) MERV-11 air filtration systems installed in the Assembly Hall and courthouse.

Juror Questionnaire and Juror COVID-19 Questions

Please carefully review the enclosed COVID-19 questions. If you answer "yes" to any of the questions, please contact Jury services **as soon** as possible and **before** you report so that it can be determined whether your summoned jury service should be deferred to a later date.

Thank you for your continued patience and support as together we navigate these uncertain times. And thank you for your commitment to our community and our justice system.
